To: [supengyeh@gmail.com](mailto:supengyeh@gmail.com)

6th Oct 2010

Dear Dr Yeh,

Manuscript Number: BMT-2010-659  
Title: Kikuchi-Fujimoto disease after allogeneic hematopoietic stem cell transplantation mimicking post-transplant lymphoproliferative disorder  
Corresponding Author: Dr Yeh

Thank you for your submission. On behalf of the Editor, I am pleased to inform you that it has been accepted for publication as a Letter to the Editor. It is being prepared for publication by one of the Co-Editors and if we have any questions we will be in contact with you. Otherwise further production details will follow shortly.

We require a signed Licence to Publish. Please download it from [http://mts-bmt.nature.com/letters/bmt\\_copyright.pdf](http://mts-bmt.nature.com/letters/bmt_copyright.pdf) and print, complete and sign it on behalf of all authors and fax it to +44 20 3313 8220.

There is a charge for colour artwork; as your paper contains colour artwork, please click the link below and complete the Colour Artwork authorisation form. Please fax the completed form to +44 20 3313 8220.

This journal is participating in the PEER project, which aims to monitor the effects of systematic self-archiving (author deposit in repositories) over time. PEER is supported by the EC eContentplus programme:

[http://ec.europa.eu/information\\_society/activities/econtentplus/index\\_en.htm](http://ec.europa.eu/information_society/activities/econtentplus/index_en.htm).

If you are based in the European Union, you are hereby invited to deposit your accepted manuscript as part of the project. If you are subject to an institutional or funder mandate to archive your manuscript in a specific repository, you should choose that repository. Manuscripts can also be deposited directly to the PEER project here:

<http://peer.mpdl.mpg.de/helpdesk/wiki/PEERdeposit>. When depositing your manuscript in a repository, please set a public release date of 6 months from the publication date of the journal article, in accordance with NPG's policy. For further information please visit the PEER project website <http://www.peerproject.eu/>.

If you have any questions or concerns, please contact us at [peer@nature.com](mailto:peer@nature.com)
